Civil Action No. 05-0010

Plaintiffs,

v.

L&T INTERNATIONAL  
CORPORATION,

Defendant.

DECLARATION IN SUPPORT OF  
PLAINTIFFS' OPPOSITION TO  
DEFENDANT'S MOTION FOR  
SUMMARY JUDGMENT

I, Marideth Maclang, hereby declare as follows:

1. I am over the age of eighteen years old, have personal knowledge of the facts set forth herein, am competent to testify as to these facts if called as a witness in a court of law, and if called would testify as stated herein.
2. I am a citizen of the Republic of the Philippines. I was hired by L&T International Corporation as a nonresident contract worker, to work in the position of Hand Packer in March 2004.
3. On or about February, 2004, I went to L&T to apply for an advertised job vacancy for hand packers. After filling-up and turning in the application form, I was told that L&T will call me for further information.
4. After about two weeks, an L&T personnel who identified herself as Baby Lopez, called me up for interview. When I reported to L&T, a certain Cory Quing and Amy Tse conducted the interview.

(Physical Examination Fee  
and Health Certificate Fee)

5. After I passed the interview, Baby Lopez and Marilyn Del Rosario asked me to complete the Consensual Transfer documents and have my employer complete and sign them, which I did. I gave the completed consensual transfer documents to Baby Lopez at the HR office. Baby Lopez then asked for and I gave her my health certificate which she noted had not yet expired. She told me that L&T would use my health certificate from my then employer.

## II. CONTRACT SIGNING

9. My first non-resident contract was in 1992. Basically, annually since then, each year, my employers used and had me sign a standard form labor contract provided by DOL. I became familiar with the basic terms of the DOL standard form contract. A copy of such standard form contract is attached as Exhibit "2" to Plaintiffs' Verified/Amended Opposition.

10. In 2004, when L&T HR staff Baby Lopez handed me their contract form, with only the signature page showing, and insisting that I sign, I had no reason to believe it was not the standard DOL form contract. Prior to signing this L&T contract form and at the time it was presented to me in the HR for signing, I was not given an opportunity to read the contract before signing it. When it was presented to me in the HR office, Baby Lopez just pushed the document through the counter-window with the pages turned back, showing only the signature page, and pointed to where I was to sign it, and said sign, which I did without reading

1 it. There were many other applicants present and waiting in line. The HR staff  
2 was rushing me and other applicants by insisting that I and the other applicants  
3 I saw present, hurry up and quickly sign, without delaying the document  
4 processing. From the mood and way the HR staff was acting, I was made fearful  
5 that if I didn't just sign the signature page as instructed, I would lose the job  
6 opportunity especially since none of the other applicants I saw there held up the  
7 line by or took time to read the contract document. I observed the HR staff  
8 acting the same way with other workers who signed before and after my turn.  
9 Neither Baby Lopez, nor any one else, ever showed me my contract document  
10 until the time and date they asked me (us) to sign at HR. I was never given a copy  
11 of the L&T contract document I signed before my termination on or about May  
12 13, 2004. After my termination, I was surprised when I later learned of some of  
13 the things and terms in L&T's self-styled contract. Had I known that some of the  
14 things and terms in L&T's self-styled contract are different from those contained  
15 in DOL standard form contract, I would not have agreed to it.

### III. PERFORMANCE EVALUATION

18 11. There was no individualized measurement or testing to determine my or each  
19 Packer's individual performance or production. The only production  
20 measurement or test was done by counting the output (production) from each of  
21 the different lines of Packers. There was really no way for me as an individual  
22 packer to control or show an increase in the number of products because I was  
23 just one individual on the line with many others. In the packing section our work  
24 was performed by groups of workers on so-called lines. The packages or items

1 we were assigned to work on often varied from day to day. Our Head Supervisor  
2 in the packing section was Wu, Duan Shu, who is a Chinese. When I and other  
3 Filipino workers tried to ask her questions regarding our work she could not  
4 answer nor explain because she does not speak English fluently. (*See* Defendant's  
5 Response to Plaintiffs' First Set of Request for Interrogatories No. 49a).

7 **IV.**  
8 **TERMINATION**

9 12. I was employed and worked for L&T International Corporation as a hand  
10 packer, from on or about March 2004 to May 13, 2004, when I and other workers  
11 in the hand packing section were summoned by the calling of our individual names  
12 over the public address system, to report to the human resources (HR) office. I  
13 believe and understand we were called in two batches, one about 3:00 p.m., and one  
14 about 5:00 p.m. (*See* Deposition of Jack Torres, page 97, lines 14-17).

15 13. I did not know why we were being called to come to HR. I thought that we  
16 were being called regarding receipt of our anticipated ATM Cards that L&T had  
17 previously given us and had us fill out an application for, as they told me and other  
18 workers present, to make it easier and more convenient for (us) workers to access  
19 and get our anticipated bi-weekly wage payments without having to stand in line  
20 waiting for and trying to cash payroll checks. I was made more assured of my  
21 continued employment and anticipated pay check by L&T having asked me and  
22 other workers to set up these ATM accounts to facilitate our anticipated payroll  
23 check payments.

24 14. As we arrived at the designated meeting room, I observed other workers, and  
25 Corazon Quing, Malou Ernest and Rhodora Bernabe, known to us as HR staff,

1 were present at the May 13, 2004 meeting.

2 15. I did not see or hear Corazon Quing read or reading from any document or the  
3 so-called "communication plan" as described and stated in Exhibit "A" attached to  
4 the Declaration of Corazon Quing.

5 16. More specifically, I (we) were not told as stated by Corazon Quing that we the  
6 workers, had the right to appeal our termination to the "Legal Department" of L&T  
7 or to any one else.

8 17. Neither Malou Ernest, Corazon Quing nor any one else at the May 13, 2004  
9 meeting, informed us, that the purpose of the so-called second check was "to cover  
10 for 10 days pay in lieu of notice," as stated in paragraph 7, Declaration of Corazon  
11 Quing. Additionally, L&T's own RIF policy required, as proposed RIF workers,  
12 that I (we) "shall be given written notice of separation at least 15 days prior to the  
13 effective date of separation, or severance pay in lieu of notice." (See Ex. "D," Jack  
14 Torres' Deposition, and page 88, lines 6-8 and lines 20-24).

15 18. It was my honest belief that I and my co-workers were terminated on May 13,  
16 2004 and that the termination was effective immediately on and from May 13, 2004,  
17 because I (we) were told by HR staff at the May 13, 2004 meeting that today (May  
18 13, 2004) was our last day of employment and they demanded that we give up and  
19 turn in our company ID cards which were required and needed for company  
20 employees to freely enter company premises; and more importantly, our I.D.s were  
21 swipe-cards for the time-clocks so we could not clock in or out without them, in  
22 addition to being required to "turn over any and all company properties in your  
23 possession... on or before May 13, 2004" as stated in the Notice of Termination. See  
24 Ex. "D," Defendant's Memorandum.

25 19. As a result I believed and felt that I was terminated and forced to stop working

1 on May 13, 2004, the same date that the Notice of Termination (dated May 12, 2004)  
2 was given to me. Hence, I was not given the required prior notice of termination  
3 and/or of the RIF.

4 20. I and the other plaintiffs worked a set work schedule and shift, and worked  
5 Monday through Saturday, seven (7) hours a day, six (6) days a week, for a total of  
6 forty-two (42) hours each work week, which included two (2) hour overtime each  
7 work week while employed at L&T.

8 21. At the time of my termination, no one from L & T offered to assist me in  
9 finding other employment or told me that they would or could assist me in getting  
10 work with affiliate companies of L&T.

11  
12 V.  
13 EMOTIONAL DISTRESS

14 22. When our termination was announced we were all shocked because it was  
15 unexpected and we did not know the reason why were suddenly terminated. I felt  
16 angry toward L&T and I was so disappointed.

17 23. I became very emotionally upset and disturbed as a result of the termination of  
18 my employment at L&T. The way L&T broke the news of termination to us, not  
19 individually or privately, but *en masse* in front of all the other employees, resulted in  
20 wailing, crying and shouting and pandemonium among the workers present. I and  
21 the other workers present were crying and hugging each other and trying to console  
22 one another.

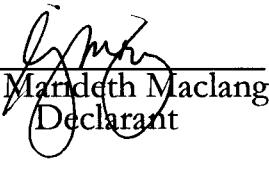

23 24. My anxiety increased, I keep on thinking and worrying about the future of my  
24 family. I could not sleep and I lost my appetite to eat.

25 25. As my emotional distress was mounting, I kept to myself and never went out

of my room. I became angry at my kids so easily and I had frequent fights with my husband.

I declare under penalty of perjury that the foregoing is true and correct and that this declaration was executed this 28<sup>th</sup> day of September, 2006.
